A PREVAILING opinion among Republicans, if we are to take their word for it, is that the Democracy is constantly blundering. They are blundering all the time and in every undertaking; and that but for their blunders they could drive the Radicals from power beyond a doubt, which means that the Republican party has made itself so offensive that the Democracy can have an easy walk-over if they would not make so many blunders. The Republican party should be thanked for their advice, coming as it does from a party that never commits any blunders (?). Its foresight, its sagacity, its comprehensive statesmanship are never at fault. No, nev-
